MEMORANDUM FOR: Director of Training

ATTENTION : Col Baird

SUBJECT : Transmittal of Report - Survey of Interrogation Techniques

1. Forwarded for your information and retention are two copies of a Survey of Interrogation Techniques undertaken by a member of the TSS/CD staff. This survey represents the beginning of a general study by TSS/CD of interrogation techniques.

2. The direction of future activities in this study will be largely determined by the reactions of readers of this survey insofar as they represent research requirements. For this reason, we particularly request comments and criticisms.

3. Requests for additional copies of this report may be addressed to TSS/CD
